

trum	net
en	vent
sud	list
den	den
hab	pet
cab	it
con	kin
mag	in
nap	tist
in	test

## Directions:

1. Cut out the second column of words. Leave the first column together as one unit.
2. Find a cut out word that would match a word from the first column. Ex. trum...pet.
3. Match each word to make multi-syllabic closed syllables.

## Challenge:

1. Cut out all the words and see how many multi syllabic words you can make.
